What do you think is going through the mind of Custard Staff? Here are a few thoughts...

"Oh please! Really? The indignities I have to suffer!"

"A little more to the right, please..."

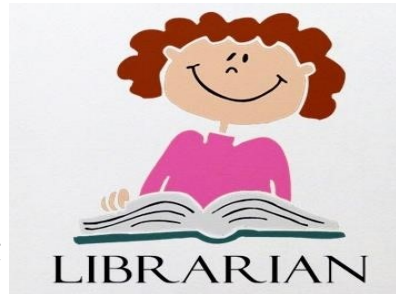

"So what kind of shampoo and conditioner do you use? Is it good for fleas?"

"I love you, but you just interrupted my afternoon siesta!"

"What time does she go home?"

Ask A Librarian

By Resident Jan Rider

Is there is a book or author you would like to read and you can't find it in our library? Do you not have a computer or cell phone? Call the main Vancouver Library at 360-906-5000. Have your library card ready and ask the person answering to please help you find the book you want. Explain that you don't have a computer or cell phone and have no way to get to their website. The person that answers will find the book or books for you and mail them to you.

When finished reading put them in the return box at KOP. They will be returned to the library for you. If you have any questions or need help you may contact Jan Rider in apartment 221.

The website for Vancouver Library is www.fvrl.org.

Enter our adult coloring contest for February! Pick up the coloring sheet At the front desk. Turn it in by February 11th. Prizes will be awarded February 12th.

Non Profit Property Tax Filing

Annually, Knight of Pythias Retirement Center is required to submit information to the Washington Department of Revenue, justifying our property tax exempt status on the basis that the majority of our residents have incomes below 80% of the median income for our area. To accomplish this, they furnish a form that needs to be completed and signed by all residents living here on January 1, 2021. Many of you are familiar with this process from previous years.

- For those residents on Section 8 assistance, we have completed your income using the information we have on file. You will need only to sign and date the form.
- For our market rate residents, we ask that you consider reporting your income to assure that we maintain the property tax exemption designation. Should you choose not to furnish your income, all you need to do is sign and date the form and mark "Refused" across the income section.

We have these forms ready for your completion and signature. They are available at the front office so you can complete this process with your rent.

We look forward to your cooperation with this process and offer you our appreciation in advance.
