### Activities are Back!

We are pleased to announce that activities are back on the calendar now that WA state has moved into phase 3. We still urge everyone to make sensible decisions about hygiene, which include

frequent hand washing and staying home if you do not feel well. Also, a reminder that we continue to wear masks in all of our common areas. The following activities will be returning:

- Pinochle will resume Monday and Thursday afternoons at 1:00 in #528. Contact Mollie Epperson in #517 if you are new and have questions.
- Attention all knitters: Knitting will resume in the dining room on Mondays and Fridays at 2PM. Contact Fran Hannah in #315 or Sharon Bridges in #213 if you have any questions.
- Exercise classes are back! We are starting yoga again at the new time of 1:00 PM on Tuesdays and Thursdays. Please see Jan Rider in #221 if you have any questions. Jan is also in charge of movie night on Fridays and adult coloring on Saturdays. Please see her for more information on any of these activities.
- We are pleased to announce that we will be celebrating April birthdays in our dining room with cake and music by Avi on April 13, 2021 at 2:30 PM. A resident board meeting will be held before the party at 2:00. Please attend to catch up on the latest resident news.
- A fun new card game, Progressive Rummy, will be played in the dining room on Wednesday afternoons at 2 PM. If you want to know a little more about the game, speak to Donna Owen in #104.
- We are bringing back a new kind of bingo. There will be no money involved. It will be limited to residents only, and the winners will be able to pick a mystery bag from the table, rather than cash prizes. It will start up on Wednesdays at 5:30 beginning April 21st. Questions? Contact Doreen Virgill in #230. She can also answer questions about Friday's Pegs & Jokers/Rummy Cube group.
- Art classes begin again starting on April 14th! If you are new, show up on the 14th at 1 PM in our Arts & Crafts room and speak with Edie, our art teacher. She even has some donated supplies to help you get started!
- Shopping trips are back, with a limit of 7 on the bus. We leave Thursdays at 9:00. You have a choice of WinCo, Walmart or Fred Meyer. We stop at all three. Sign up with Millissia at the front office.

For general questions about any of these activities, ask Lori at the front office.

### Cadbury Bunny Try Outs

Custard Staff likes to pretend she is the Cadbury Bunny. Unfortunately she missed the try-outs. I think she would have had a good chance of winning! We would love to publish a funny picture and a short story about your fur baby. Contact Lori by email ([lori@koprc.com](mailto:lori@koprc.com)) or stop by the front office if you are interested in featuring your pet in our tidbits.

A little tidbit about Cadbury products: Cadbury cream eggs took fourth place as the most popular Easter candy, and their mini chocolate eggs were second only to Reese's chocolate peanut butter eggs.

**Spring would not be spring without soda and ice cream.  
Tomorrow we can eat broccoli, but today is the day for ice cream!  
The best time for ice cream is always.**

**It's time to unwind from all of the stress  
And relax with a cool and creamy soda float!  
Join us for soda floats in the dining room on  
April 27, 2021 at 2 PM in the dining room.  
If the weather is nice, the doors will be opened to  
The courtyard so that everyone can enjoy the spring  
breeze and distance themselves.**

**If you are not yet ready to mingle, you are welcome  
to order your soda float to-go and bring it back to  
your apartment again.**

**PLEASE remember to use common sense. Wash your hands before  
leaving your apartment, and if you don't feel well, even if it is just a sniffle,  
STAY HOME! We would be happy to see that you get a soda float brought  
to you and left outside your door.**

**Cheers to springtime, a time of new life. As the trees and plants are  
blossoming, our community can renew friendships and enjoy each other's  
company again!**
