Knights of Pythias Retirement Center has lost its long time administrator. Don James is announcing his retirement. Don retired as of August 31, 2024. We are happy to announce that Joe Blanton has accepted the position of Administrator. Joe has spent many years working here in the positions of security, maintenance, bookkeeper and human resources manager. He has a well-rounded understanding of managing the property. He graduated in 2019 with a B.S. in finance from WA State University. His goal as Administrator is to make this as pleasant a home as possible by continuing the Pythian mission of friendship, charity and benevolence to all mankind, and continuing to provide superior low income housing and life enrichment. Please join us in congratulating him on his new position!

Let's Vote!

Submitted by Suzanne Hamlet Shatto

My name is Suzanne Hamlet Shatto, apartment 110. I am interested in helping people vote in this election. KOPRC has permitted me to put voter registration forms and party literature out so that people can have information to make an informative decisions when they vote.

Our precinct does not have a precinct committee person for the Democrats or Republicans, so if you are interested in serving in that capacity, I can give you their contact information. They have outreach officers that would be willing to help you become a precinct committeeperson and teach you how to do that position.

I have contacted the Clark County WA Republicans, the Clark County WA Democrats, and the Southwest Counties WA Libertarian Party. I have contacted the Clark County WA Election office for the voters registration forms. If I run out of literature and it has not been replenished, I will contact those parties to get more literature.

These are the contacts for the local parties :

State Libertarian Party contact: info@lpwa.org

Clark County WA Republicans contact: 360-695-1609

Clark County WA Democrats contact: 360-254-9116

Our Silver Sneakers and Chair Yoga class has been postponed to October. Please stay tuned to our calendar and look for announcements for the starting date of the class in our October Tidbits. Thank you for your understanding.

Did you Know?

Clark Public Utilities is currently offering a \$200 credit to your account as part of the Climate Commitment Act. This offer is good through September 15, 2024 for low income households. For more information google "Clark Public Utilities climate commitment act" or contact Clark Public Utilities at 360-992-3000.

Gaming Going Great!

Submitted by resident Ron Dittmer

So far since I started as Games Commissioner, we have had some positive results. We have residents participating in Rummy cube, playing Hand and Foot, Cribbage and Pinochle. The first week in September we will start playing Mexican Train. For our residents who would like to play Put-Put Golf, we will set up that game upstairs on the Mezzanine the first week of September. Dates and times will be posted on our resident bulletin boards by the elevator on each floor. Other games available for residents to start playing include Scrabble, Poker, Uno, Checkers, and Chess. I would also like to invite residents to the dining room to play Trivia with us at 5:30 PM every other Thursday (keep an eye on the Tidbits calendar for the days we will be playing Trivia). In the October Tidbits I will be publishing a complete list of games available for our residents to play. If there is a special game or time you would like to play one of our games, we can arrange that also. All the games available to play are stored in the cabinets near the puzzle area and are available to play at any time. Hope to see you at one of our game nights this month. The games are on! Contact Ron Dittmer with any questions or comments at 928-201-3928 or knock on his door at apartment 128.
