Our Library
By Jan Rider Head Librarian

Many of you are not aware of how many books have been donated to KOPRC over the last few years. Just these last few months we received over 1,500 books. Linda Kocina and I just finished going through the last seven boxes. There are no funds for new books, so this is the only way to get new or different books for us. The books we don't keep are left on the table in the activities (formerly craft) room (up the ramp in the dining room and across from the fitness room). After a month we box them up and send them anywhere we can find to take them. Warehouses are filling up and no place comes to pick up boxes of books anymore. Retailers and the Vancouver Library only take a small box at a time. The same with others. If you are willing to help pack out small amounts of books when going somewhere, please let me know.

Since we've been getting more DVDs too, I've started sorting through duplicates and putting DVDs in each floor library plus the bookcase in the alcove by the pop machine. Please don't think because we have more books you can keep what you want. The book you keep may be the one other people have been waiting to read.

Where the Books Are...

Fiction: Mezzanine second floor, third and fourth, and fifth floor libraries and dining room alcove by the pop machine.

Audio books and Large print: Mezzanine

Fantasy and Science Fiction: Upper living room (old building)

Nonfiction: Exercise room (old building), dining room alcove, apartment 528

DVD Collection: Upper living room, dining room alcove, apartment 528

In the chapel (corner of first floor apartment hallway) are books from all religions, faiths, and meditative books, fiction and nonfiction.

In the dining room are magazines and books from the Vancouver main library that were donated for our residents.

Our library runs on the honor system. Anyone can borrow then please return books or dvds to any return box. On the mezzanine look in cupboards, you may find what you are looking for.

Thanks, from Jan Rider and Linda Kocina.

In Remembrance

On Friday, May 23, 2025, residents gathered to remember family members, now deceased, who served in the armed forces of the United States of America. A moment of silence was observed for PFC Ian Walz, son of resident Victoria Walz. Ian died in Afghanistan in 2009 while serving our country in the US army. Residents came forward to receive a white rose in honor of their family member. Also, all veterans were presented with a red rose in honor of their service. Light refreshments were enjoyed after.
